

Educate. Inspire. Lead.

Dr. Kaneta R. Lott has helped to shape the smiles of hundreds of children for over twenty years. A renowned national speaker and motivator, Dr. Lott is one of the most respected pediatric dentists in the United States.

She lectures nationally on Pediatric Dentistry, Dental Traumatology and Practice Management. Understanding that pediatric dentistry is in the business of education, Dr. Lott begins each day by educating the parents of the patients that she treats. Her office is a virtual laboratory of working instructors and students. When the parent understands the disease process, tooth decay can be prevented.

The owner of one of metropolitan Atlanta's most successful pediatric dental practices, Dr. Lott provides strategic advice to a wide range of clients, organizations, and students concerned about providing quality healthcare.

A board certified pediatric dentist, she earned her Doctor of Dental Surgery from Emory University and completed her residency at Emory University and Scottish Rite Hospitals.

She is a consultant to the Georgia Board of Dentistry and has served as an Assistant Clinical Professor in the department of Pediatric Dentistry at The Medical College of Georgia. Dr. Lott is also a fellow with the American College of Dentists and is a member of numerous local, state, and national professional organizations.
