

HYGIENISTS & ASSISTANTS MAKE PEDIATRIC DENTISTRY HAPPEN

Dr. Kaneta R. Lott has helped to shape the smiles of hundreds of children. A board certified pediatric dentist, she earned her Doctor of Dental Surgery from Emory University. Dr. Lott is a Fellow in the American College of Dentists and the International College of Dentists. She has served as an Assistant Clinical Professor at The Medical College of Georgia, Department of Pediatric Dentistry. Her private practice of pediatric and orthodontic dentistry opened in 1984 in Atlanta, Georgia where she continues to provide excellent care for her patients. Dr. Lott speaks on Pediatric Dental Health and Dental Traumatology to national and international audiences.

The members of your staff play a major role in the success of the practice. It will improve the confidence of the staff and improve their rapport with the parents. The following questions will be answered.

- How do you respond to parents' questions about the first dental visit?
- What is the best way to introduce the child to the dental environment?
- How to take bitewing x-rays on a 3-4 year old?
- At what age should a child have the first dental exam?
- How does the parent stop nighttime bottlefeeding?
- How can you get rid of the pacifier?
